

Where?

J and M Camp is a remote boat in fishing camp with one guest cabin and one operator's cabin. We are located at the end of Swain Lake river system, which is at the end of the Woman Lake river system; in the Ear Falls area of Northwestern Ontario.

You are picked up at the Woman River landing and will boat for 43 miles, one and a half hours up the Woman Lake system to your cabin.

About Cabin

The cabin which holds a maximum of 4 people, is furnished with running water, stove, fridge, freezer, bed linens, blankets, pillows and all the cooking and eating utensils. The cabin has two bedrooms, each with one double and one twin bed. It has solar lights, with a generator backup and wood stove.

There is a covered fish house for cleaning your fish and a barbecue or propane cooker for deep frying your catch.

We have a shower house and outhouse behind the cabin.

14 ft. Lund boats are provided with live wells, 25 hp motor and gasoline.

Make Sure!

Before arriving at the landing you must have your fishing / hunting license and bait. There is no cell service where we are located. Internet service is only at the operator's cabin.

Fishing

Have fun fishing for **walleye, pike, lake trout and perch** on the various lakes around the area. You can portage over to **Jasper Lake** where you will find another boat to tour around and fish from.

Bear Hunting

Bear baits will be set out in the bear management area for the hunting season. We do not offer moose or deer hunting.
